Our Mission

*We empower
entrepreneurs and
organisations to create
innovative solutions
for people and the planet.*

Our Approach

*We believe that the **world's greatest challenges will never be solved by one person or organisation alone.***

We need to work together.

*That's why we set out to create thriving innovation ecosystems where we inspire, connect and enable people to **collaborate across organisations, cultures and generations to solve the grand challenges of our time.***

Europe's largest Impact Hub

The site is located **in the heart of Berlin** with **3,500m²** of state-of-the-art team offices, community co-working space and maker spaces.

The building and space design is rooted in **circular economy principles** and is a showcase for sustainability and **inclusive design**, from its use of materials, renewable energy, to its on-site sustainable café.

Why do a tour at Impact Hub Berlin?

Goal

The tour takes place within our inspiring, sustainable space, built and operated with a **circular economy** approach.

You and your team will learn about **impact innovation**, the role of **impact entrepreneurs** in tackling the greatest challenges of our time, and how our **global Impact Hub network** empowers changemakers worldwide.

Further, we will take a closer look at our activities here in Berlin: the power of **community building** and **prototyping**, how our **collaborative space** fosters creativity, all the way to how our innovation and **acceleration programmes** help organisations to rethink and entrepreneurs to scale.

Outcomes

Inspire: Dive into Impact Hub Berlin's story, our local activities and global network fostering impact innovation.

Enable: Understand what impact entrepreneurship is all about and what social innovation in Germany looks like.

Connect: Meet members of our community, and understand their perspective on impact innovation and motivation behind building an entrepreneurial career.

Tour Example on Migration and Social Entrepreneurship

Client

BMW Group

Partners

*United National
Alliance of
Civilizations*

Brief

In close collaboration with BMW, we designed a 2 hour event to connect and inspire the Intercultural Award alumni to Berlin-based social entrepreneurs active in the field of integration and multicultural life. .

The Challenge

How might Impact Hub Berlin and the network inspire fellow social innovators to connect the topic of migration with entrepreneurship?

The Outcome

Participants learned Impact Hub Berlin's efforts to support social entrepreneurs and scale impact ventures. On top of that, the exchange between the alumni of the Intercultural Innovation Award and Impact Hub Berlin members helped gain a deeper understanding regarding each other's local contexts, needs and challenges.
